INTELLECTUAL PROPERTY

Lagerlof, LLP's Intellectual Property team is dedicated to protecting the ideas, innovations and goodwill of our clients so they can realize the most value from their intellectual property (IP) assets.

Our attorney's experience with trademarks and copyrights has helped established businesses, tech start-ups, and artists distinguish and protect their goods, services, and creative works in an ever challenging and saturated marketplace. We have experience dealing with the United States Patent and Trademark Office to overcome the hurdles encountered in obtaining trademark registrations and the obstacles that come with maintaining a trademark, including oppositions, cancellations, and other proceedings before the Trademark Trial and Appeal Board (TTAB). We offer strategic experience, effective representation, and remain client-focused.
