ABOUT LAGERLOF,LLP

Lagerlof, LLP is the largest law firm in Pasadena. As we continue to grow we know size isn't everything – Lagerlof, LLP has over 100 years of experience and nearly 1,000 years of attorney experience satisfying clients and leading the market in strategic legal support.

With roots dating back to 1908, we have been involved in shaping the legal and business landscape in Southern California for more than 110 years. We stand for innovation tempered with practicality, for thoroughness grounded in common sense, and above all else, for impeccable integrity. We strive to be trusted counselors and not just attorneys. Our goal is to establish lasting relationships, and to that end we have served many of our clients for decades and some families for as many as four generations.

Even with significant history, we pride ourselves on staying current on the latest legal trends and technology to service our clients.

We look forward to showing you the new Lagerlof - grounded in tradition, focused on the future.

"Our banking and financial services team is staffed with experienced lawyers who have a deep knowledge of the subject matter, and who have litigated in state and federal courts throughout California, Washington and Oregon. We have represented our banking clients in matters ranging from class actions to thousands of smaller cases over the last twenty years. Our team is responsible for dozens of reported appellate decisions that are cited often by state and federal courts and that continue to provide a benefit to the banking community."
